

Post: Mental Health & Wellbeing Adviser

Reporting to: Head of Student Welfare

THE POST

The College's wellbeing 'Hub' operates alongside the Student Services department and is a support Hub for students experiencing mental health difficulties who need help to identify strategies to cope with the day to day pressures at college and build resilience. As a key member of the wellbeing team, you will help to support students experiencing anxiety and mental health problems and work to empower them to achieve their academic potential and progress beyond Peter Symonds to university or employment.

A Grant from the Mercers' company partially funds the Hub. The post holder will need to supply monitoring data to the Deputy Principal (Welfare & Progression) for the completion of an annual monitoring report for the Mercer's and also to the board of governors.

MAIN DUTIES AND RESPONSIBILITIES

1. To oversee the Hub, the students accessing it on a drop-in basis and triage for referral to other college services (eg: the Counselling Service) or outside agencies (eg: GP; CAMHS etc).
2. To provide one-to-one support for individual students to enable them to manage their mental health and access their programme of study, through promoting strategies for resilience building and self-management.
3. To work closely with the Head of Student Services, Head of Study Support, the College Nurse, the pastoral team of Senior Tutors, Directors of Curriculum and Support and Faculty Administrators, and other staff where relevant, to ensure an appropriate support package is put in place for individual students, information is shared with teachers and contact made with parents, as appropriate.
4. To co-ordinate and support a team of student mentors and wellbeing ambassadors.
5. To ensure that the Hub is accessible to students throughout the college day, and has a visible presence during Induction, specifically for new students feeling isolated and lonely and at other College events such as Open Evenings and Year 11 Welcome Days.

6. To develop and maintain the Hub Google site where up to date self-help information is available and Hub activities promoted.
7. To develop and maintain group sessions: eg: Therapy Dog visits; Mindfulness sessions; Walking Groups, Art therapy, etc.
8. To develop and offer staff development sessions in the area of mental health in young people, as required, and to provide advice and guidance to staff about mental health and wellbeing, the support systems available and good practice with regard to student support in the college context.
9. To promote positive mental wellbeing amongst the college community by being involved in health promotion activities.
10. To contribute to the elimination of unlawful discrimination, harassment and victimisation; advancing equality of opportunity and fostering good relations between people who share a protected characteristic and those who do not, in accordance with the 2010 Equality Act.
11. In accordance with the GDPR, to keep accurate records of attendance/take up and other records relevant to the work undertaken; to provide regular reports to the senior management team to enable the monitoring and evaluation of the service.
12. Prioritising the safeguarding of all students by following the college's safeguarding procedures and liaising closely with the Designated Safeguarding Lead; participating in training on safeguarding matters.
13. To keep up to date on mental health and wellbeing issues in post-16 education.
14. Any other duties as requested by the Principal.

July 2021

Each attribute is marked as essential for the post, or desirable. The last two columns on the Person Specification (labelled A and I) indicate how each attribute is assessed.

A = application form, I = interview
